**WINEMAKER AND CHEF MUSHROOM AND WINE PAIRING TALK** Following the presentation by Bill Russell we will have a presentation and conversation with our winemaker Scott Bubb about how to pair wines with different types of mushrooms. We will pair some mushroom appetizers with wines and discuss how and why they pair well together.

**GUIDED WALK** We will venture to nearby forest and search for some local, seasonal mushrooms. Experts will be paired with novices to ensure that everyone has a great experience. Mushroom expedition will leave the winery at 2pm and everyone should return back by 3:30.

**WILD MUSHROOM TASTING** The mushrooms that we collect on our walk will be identified, cooked and sampled.

All soup must be registered by 12:00. Please notify us if you plan to bring a soup for the cook-off. You should supply your own ladle, plastic spoons and cups for serving small portions.
